Update on the Gunthers

Sharon sends her love to everyone. She misses her New Beginnings Church family greatly. She is adjusting well to Albuquerque and Richard likes his new job.

Just a Note...

I'm sorry to get yet another newsletter out late. Last week was crazy at work—and being stuck in the Cattle Barn at RIR in the cold for four days really did a number on me. Laryngitis and a sinus infection were the result! I missed seeing you all Sunday and hope to be back with you this week.

Please allow me to express my thanks to each of you for your prayers and concern shown to me and my family during my dad's prostate cancer surgery. Everything went extremely well and we are truly grateful. He is feeling better each day and hopes to return to work this week. How wonderful the power of prayer!

Blessings,
Cathy
